

## Ranger-Visit-To-Classroom

Rangers conduct curriculum-based programs **free of charge** geared toward your learning objectives.

### PROGRAMS

**In-Classroom:** Each program is one hour long, and is limited to 35 students. Program topics include:

- **Five Senses** (grades K-2): Students use their senses to connect to the natural world.
- **Geology** (grades 3-8): Activities focus on the rock cycle, plate tectonics, and geologic time.
- **Ecology** (grades 3-6): Emphasizes adaptations, ecological principles and plant and animal interrelationships.
- **Pioneer history** (grades 2-6): Artifacts, charades and games help students connect to Grand Canyon's history.
- **Archeology** (grades 2-8): Artifacts and games help students connect with Grand Canyon's ancient inhabitants.
- **Build-a-National Park** (grades 2-6) **This program requires 1½ - 2 hours:** Students learn about national parks, and then use art supplies to construct their own model of a national park. Class provides art supplies.

**Assemblies:** One-hour presentations for up to 300 students. Rangers will require 30-45 minutes for set-up.

- **"National Treasures in Your Backyard"** – Focuses on the role and importance of National Parks.
- **"Endangered Species"** – An introduction to endangered species and what parks are doing to help them survive.
